

FIG. 1
PRIOR ART

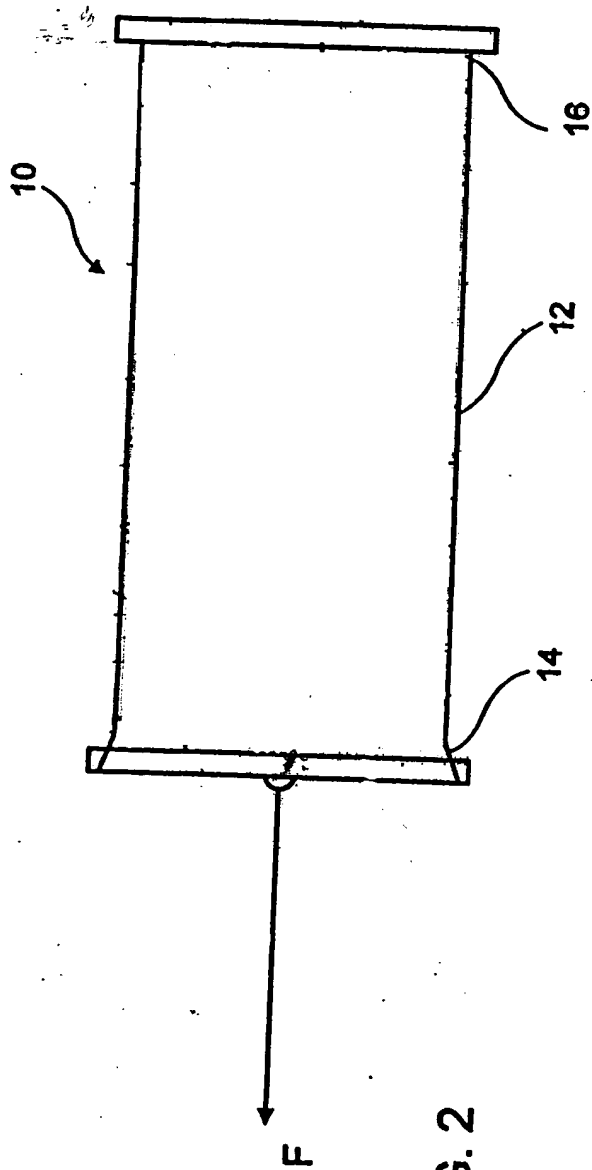

FIG. 2

Closure Device X-section (fig 1)

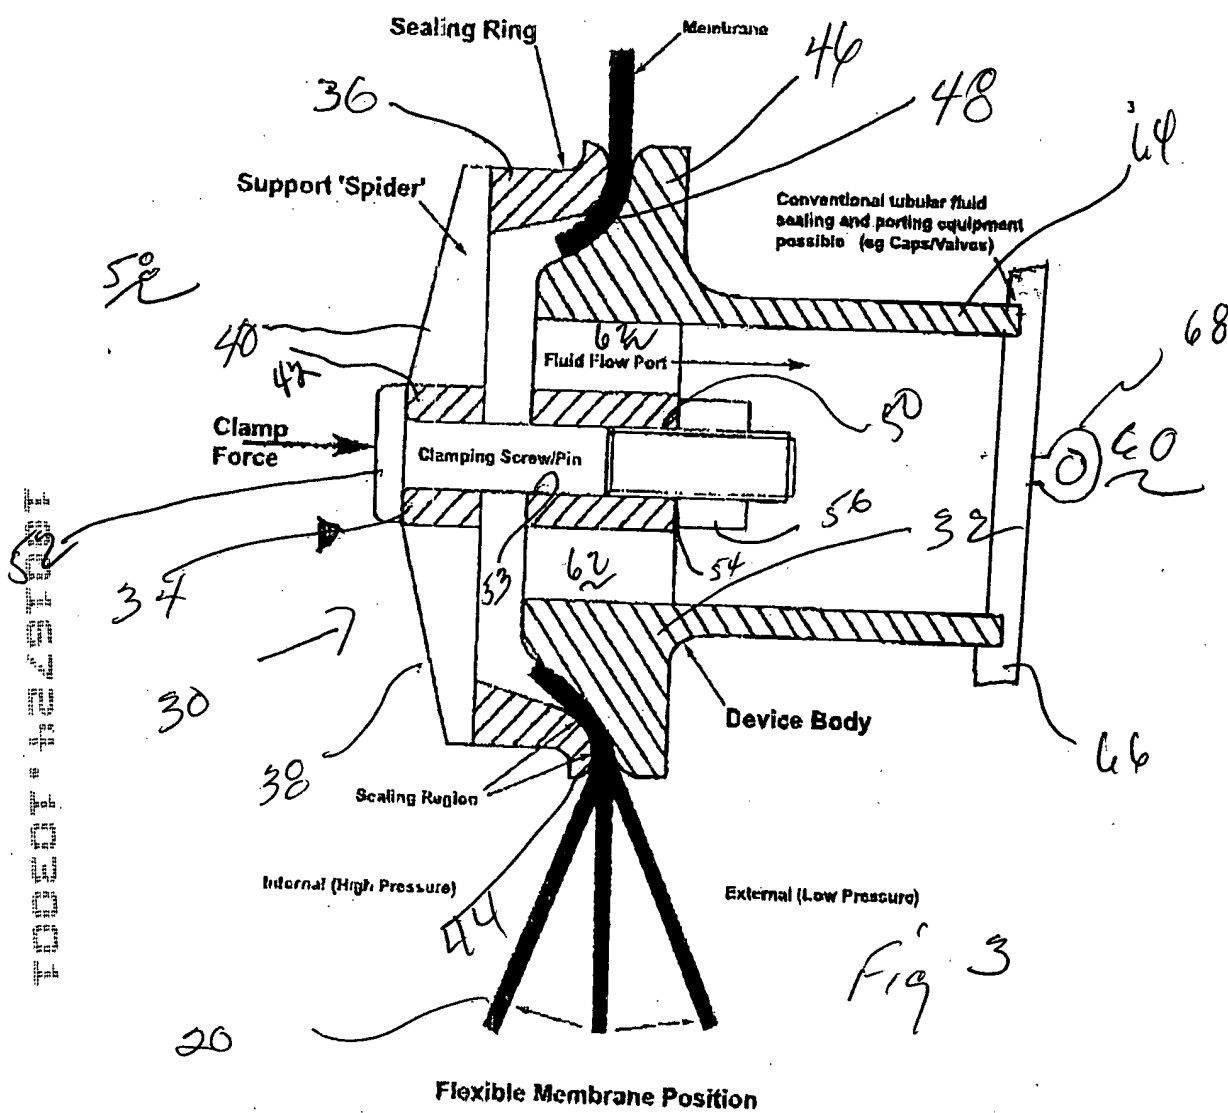

Fig. 4 is a perspective view of the device. It shows a fan-like structure 10 with multiple curved blades. A central shaft 18 is attached to the center of the fan. The shaft is mounted on a bracket 30, which is shown in a perspective view. The bracket has a circular base and a rectangular extension. The shaft 18 is shown passing through the center of the bracket. The fan structure 10 is shown in a perspective view, with the blades curving outwards. The entire device is shown in a perspective view, with the fan structure 10, the shaft 18, and the bracket 30 all visible.
